SEA CON® Announces Sale of SEA CON Phoenix and Phoenix Optix

SEA CON® Brantner & Associates, Inc of San Diego, California are pleased to announce the sale of their glass to metal sealing division, SEA CON Phoenix, Inc and Phoenix Optix.

The SEA CON® group who are manufacturers of probably the widest range of underwater electrical and fiber optics connectors in the world acquired SEA CON® Phoenix in 1993 to expand it's capabilities into the technology of glass to metal sealing. The acquisition enabled the SEA CON® Group to provide it's world-wide customers with well proven connectors, feed thru's and electrical devices for demanding harsh environments such as undersea, downhole, nuclear and aerospace.

SEA CON® will continue to work closely with SEA CON Phoenix and will still retain the ability and technology to supply to it's valuable customers high quality glass to metal-sealed products to compliment SEA CON®'s current range.

The SEA CON® Group have licensed the name 'SEA CON Phoenix' to the new owners who will continue to trade under the SEA CON® name for a period of two years. After expiration of the license, the company will trade under a new name and own identity.
